| <b>Wunzhen Liu – CHINA</b><br>Portland Student                       | The English classes at Goodwill have turned me from a person who had never learned English into a person that starts to understand the language bit by bit. The class has helped me discover the beauty of language.   |
| <b>Sofia Rangel – MEXICO</b><br>Portland Student                     | English classes helped me to get a better job. They helped me understand the language and communicate with American people. Also, the classes helped me in my house with my kids.  |
| <b>Nooshirvan Rose – IRAN</b><br>Portland Student                    | The classes have surely helped me. When I came here to the US, I couldn't speak English, but since I joined the English classes at Goodwill I can read, write and speak.   |
| <b>Adriana Moreno – MEXICO</b><br>St. Johns Library Student          | The classes are great. We are learning a lot of new vocabulary every class and we are using that vocabulary in our lives every day. The classes are dynamic, helpful and easy to understand. The classes have helped me. Now I can speak when I go to the grocery store, to the doctor's office and in the schools with my kids' teachers. |
| <b>Siripron Nantaphytoen – THAILAND</b><br>St. Johns Library Student | I like taking classes because it helps improve my English. It also provides me with opportunities to meet friends who come from different countries and cultures.  |
| <b>Georgeta Hasengan – ROMANIA</b><br>Portland Student               | My teacher is very good and intelligent. He teaches well, he is patient with students, calm, friendly and has a good sense of humor.   |
| <b>Irina Bayer – KYRGYZSTAN</b><br>Portland Student                  | The English classes have helped me. Now I know more about American culture, English grammar and my vocabulary increases. I think these English classes will help me find a good job.   |
| <b>Jahan Lak – IRAN</b><br>Salem Student                             | Our teacher has been extremely helpful. She is patient, friendly and creative. She pays individual attention to all students.  |
| <b>Benkeder Aziz – FRANCE</b><br>Corvallis Student                   | The English class is very interesting, useful and convenient. You learn English and American culture.  |
| <b>Elba Caballero – PANAMA</b><br>Salem Student                      | The classes help me to speak, read and write better English. It is helpful to have this resource as an immigrant with limitations. The class gives us tools to move forward.   |
| <b>Tho Ly – VIETNAM</b><br>Salem Student                             | I have studied English at Goodwill for two years so far. Still now, I feel the classes challenge me. I can now speak English with some fluency. In March of 2014, I passed the Citizenship test. Thanks to Goodwill for helping me achieve my goal.  |
| <b>Michelle Lu – TAIWAN</b><br>Salem Student                         | My teacher understands the students' point of view and she understands the questions we ask her. One of her main qualities is patience. That is very important for a learner. I enjoy being in her class.  |
| <b>Teresita Dome – CUBA</b><br>Midland Library Student               | My teacher is enthusiastic and brings ideas to help us develop our communication, improve our life and interact with others.   |
| <b>Christelle Brackar – BELGIUM</b><br>Portland Student              | The teacher is very nice and he is a good teacher. He is dynamic and explains well. It's obvious that he likes teaching English.   |
